

How Russia Persecutes Jehovah's Witnesses

ENGLISH

Jehovah's Witnesses are the community subject to the most widespread politically motivated persecution in modern Russia. These repressions are well-documented and can therefore serve as an important source for analysing how extremism legislation is applied.

↻

Jehovah's Witnesses are an international religious organisation whose followers hold pacifist convictions. They study the Bible and preach. Since 2017, following the **recognition** of the Administrative Centre of Jehovah's Witnesses and nearly 400 other congregations as
